Dear Parents/ Carers,

February 2018

Our payment website "School Money" www.schoolmoney.co.uk has recently made some changes to it's website. Below is a statement they issued to schools:-

"We are excited to announce an important change at Teachers2Parents. We are changing our organisational identity and name to Eduspot. The name Eduspot brings together our leading brands; Teachers2Parents, SchoolMoney, BehaviourWatch and SchoolPod, under one, unified brand name - these popular brands will retain their reputable names.

We will be launching a new logo, website, colours and our systems have also had a refresh. We believe that our new look better represents what we have become since 2005; a provider of thoughtful, contemporary technology solutions that supports schools, whilst all the time increasing parental engagement. We've put our hearts and souls into our new brand and we're really pleased with it and confident that you will be too!"

'Now when parents go to www.schoolmoney.co.uk they will be redirected to the new eduspot website. To sign in, all parents need to do is select the Sign In button in the top right hand corner of the screen. A list will drop down and they need to select the Parent Login option at the bottom. This will then send them to the parent login screen as normal'

You will still need to follow the same steps below to log in to your School Money account:

1. Log onto www.schoolmoney.co.uk
2. Enter your mobile number as one number eg – 07776025672
