

Ink Cartridge Recycling

We have joined a scheme to recycle more of our used ink cartridges to help the environment and hopefully raise cash for our school. The company will accept ALL original HP cartridges - so please bring yours to school! You can also request a bin for your workplace on behalf of the school. If you are interested please contact Empties Please directly on 0844 879 7179 and they will gladly send you one. Please quote our school name!

Appointments

Whilst we do appreciate that some appointments have to be in school time, we would ask that you do not take your children out of school unless it is unavoidable. It can be very disruptive to the class, and your child needs to be in school all day!

School Money

Most of the information about school trips and events will now be sent out by email. Using the School Money website to pay for trips also gives parental permission - so usually there will be no slip to return! For optional events or clubs - such as the Premier Sports on Tuesday and Thursday, please ensure you have paid online BEFORE the first session as places may be limited.

Sporting Achievements

This term our year 5 and 6 cricket team were North Dorset Winners and will now represent the School at the Dorset Finals at Bryanston School. We also came out top at the Quad Kids Athletics and are now North Dorset Champions in this event. A big thank you to all staff and parents who supported these events.
